SHAPE-SHIFTER

If there's one thing that **Nidi** strongly believes, it's that kids and teens deserve their own cozy spaces. And with its colorful modular furniture designs, for the past decade the Italian brand has been proving that they deserve practical ones too. From beds featuring storage concealed in the headboard, to fold-down desks and ingeniously considered bedside tables, their pieces for age groups 4 to 7, 8 to 12, 13 to 16 and beyond, give functionality fresh new meaning.
