**SPIDER PANEL BY NIDI**

Once again, the Italian brand Nidi proves just how well it combines aesthetics and functionality with this Spider wall panel. The simple system of little knobs and elastic form a brilliant memo-board to slide all the best holiday souvenirs behind. Photos, drawings, small objects and postcards can all be put up on the wall to prolong those fab memories. A clever system offering an alternative to desktop wallpaper. Easy to update, too! So why not weave your own web of memories? (H.L.) [nidi.it](http://nidi.it)

**LEMO 4-IN-1 CHAIR BY CYBEX**

The latest innovation from the German brand Cybex, the LEMO (i.e. LEss is MOre) chair is a 4-in-1 model that grows with your child and can be used from birth to age 99. From bouncer to highchair that comes with a baby set, it then adjusts into a child's seat and finally one that fits adults. LEMO is available in two versions: plastic and aluminium or wood and aluminium, both in a range of six colours (outback green, canary yellow, twilight blue, porcelain white, infinity black, storm grey). In line with Cybex's D.S.F. Innovation Principle – unique clean Design, stringent Safety standards and intelligent Functionality – this is high-quality sustainable furniture. (H.L.)
